Company Vehicle  
State of the Art Equipment  
Reimbursed Expenses

**Photofax Surveillance Corporation** is a nationwide private investigation agency rendering services throughout the continental United States. The business was initially founded in 1988. Over 95% of our clients are insurance carriers, third party administrators, or self-insured companies who retain our services to detect insurance fraud through the use of video surveillance. We currently have the highest quality standards in the industry. Photofax provides paid training at our corporate service center in the Chicagoland area.
